

An Old World Tradition
Since 1911

Bakery Menu

Over 100 years ago, four Italian bakers immigrated to America, opened a neighborhood bakery in San Francisco, and named it Victoria, after one of their daughters. They founded their new enterprise on the Old World principles of handmade, fresh from scratch, tried and true family recipes using only the freshest of local ingredients. Soon the amazing aromas drifting from the small Italian bakery attracted patrons by the dozens. They gathered to meet, relax and converse over a steaming cup of freshly brewed coffee and freshly baked mouthwatering pastries and cakes.

This century-old tradition lives on, as we continue to serve the Bay Area the finest French and Italian pastries, gelato, cakes, and freshly roasted coffee at the warm and welcoming Victoria Bakery & Café. We are pleased to offer a selection of delicious baked goods for special events, corporate meetings, or simple everyday enjoyment. We also design fun-themed cakes and cupcakes for birthdays and weddings. And our famous organic fair trade coffee is roasted daily right on the premises.

Come spend a moment with friends and family and enjoy the tempting taste of the Old World with us at Victoria Bakery & Café. A proud San Francisco tradition for over 100 years.
